

Policy Regarding Gender Neutral Restroom Use

The mission of the City of Cambridge's LGBTQ+ Commission is, in part, "... to advocate for a culture of respect ... with regard to sexual orientation and gender identity." * The City of Cambridge and the Cambridge Public Library do not discriminate based on gender identity. All persons within our community are welcome to enjoy and make use of the Library and its facilities.

The Cambridge Public Library supports an individual's ability to use the restroom that corresponds with their gender identity.

A patron may request to use a unisex restroom. The Cambridge Public Library will accommodate such a request without questions or judgment. All branches have a single use public restroom; at the Main Library there is a single use restroom in Administration that is available.
